

6th Annual Drive for Life Golf Classic

The 6th Annual Drive for Life Golf Classic in Memory of Marcel Bertrand at Bel Acres Golf and Country Club was so successful that it is going to be a hard act to follow, but we are certainly up for the challenge! With a full course of 146 registered golfers out to have a fun day on the links, excellent weather, and a great lunch supplied by Boston Pizza, the event was primed for success. Add to this, the hole sponsors, offering everything from tasty treats to fun contests like hole in one contests, or the Investors Group Longest Drive With a Marshmallow, and the excitement reaches a whole new level.

To truly find out how successful this event was, just talk with the golfers who came out to have a good time. Many commented on how much they enjoyed themselves and were looking forward to doing it all over again in 2010. The event was also successful at a fundraising level, netting in excess of \$20,000 towards providing support services to Manitobans affected by ALS.

Once again 102 Clear FM's Jay and Billie-Jo emceed the evening festivities, which included a wonderful dinner and prize presentation. Congratulations to the Derksen Plumbing & Heating team who took first prize this year; and hats off to all of the other prize winners, including Fred Albi, who apparently can hit a marshmallow farther than anyone.

Thank you to all of our supporters, sponsors, volunteers and, of course, participants who made this event the success that it was. See you all again on September 9, 2010.
