

The annual WALK for ALS is the largest fundraiser for the ALS Societies across Canada. The WALKS are a platform to raise awareness with a unified vision: to support people living with ALS and invest in research to make ALS a treatable, not terminal disease.

SUPPORTING PEOPLE LIVING WITH ALS & INVESTING IN RESEARCH TO MAKE ALS A TREATABLE NOT TERMINAL DISEASE

ALS is a neurodegenerative disease where the nerve cells that control your muscles die. The 'living wires' which connect your brain to your muscles degenerate, leading to a loss of mobility, loss of speech and eventually impact the ability to breathe.

This is a terminal disease. ALS does not have a cure nor an effective treatment. In Canada, approx. 2500-3000 people are living with ALS; 1000 will succumb to the disease and 1000 will be newly diagnosed each year. The lifespan after diagnosis is on average two to five years.

HOW YOUR DONATION HELPS

60% of the proceeds from your donations go towards supporting people living with ALS and 40% is directed to peer-reviewed research to find a treatment for ALS.

NATIONAL WALK Goal \$4 Million!

HOW TO GET INVOLVED?

REGISTER ONLINE

1. Go to www.WALKforALS.ca
2. Select your community and register. You will be sent a link for your personal fundraising page
3. Share your link to friends, family and colleagues

REGISTER ON PAPER

1. Use the registration and donation form on the inside of this brochure
2. Share and ask everyone you meet to make a donation to you

REGISTER VIA MOBILE

1. Download the WALK for ALS app
 2. Select your community and register
- Now you're ready to raise funds on-the-go (available on the iPhone and Android)

BUILD A TEAM

Work together with family, friends and colleagues to meet your fundraising goal. Design your own hats, armbands or signs to support your loved one and others living with ALS in your area.
