14th Annual Drive for Life Golf Classic
Thursday, September 7th, 2017
Bel Acres Golf and Country Club

May 2017

The ALS Society of Manitoba will be hosting our 14th Annual Drive for Life Golf Classic at Bel Acres Golf and Country Club on Thursday, September 7, 2017. Last year, this event raised over \$60,000.00 for Manitoban's living with ALS/MND and their families. This year we are pushing our fundraising goals and we hope that you will be interested in being a part of our success. Please find attached the sponsorship breakdown for your review. Your support will ensure that our signature events continue to be a huge success.

The ALS Society of Manitoba was founded in 1980 for persons with ALS, their families, friends and other interested parties. ALS (Amyotrophic Lateral Sclerosis), also known as Lou Gehrig's Disease, is a life limiting disease where 90% of people diagnosed will die within three to five years, some within a few short months. Over the years, the ALS Society has helped clients and their families, by providing equipment, support and education. As our organization continues to grow, we are able to offer more client-service based programs which help those living with ALS/MND maintain hope, independence and the ability to make informed decisions about their care.

For more information on the Drive for Life Golf Classic, including registering a golfer, please contact us at 204-831-1510 Ext. 20 or HOPE@alsmb.ca. Thank you very much in advance for your time and consideration with this request. I look forward to hearing from you soon.

Sincerely,

Angela Hallam
