ALS SLA

ALS SOCIETY OF MANITOBA
LA SOCIÉTÉ MANITOBAINE DE LA SLA

ALS Society of Manitoba was founded in 1980 for persons with ALS/MND, their families, friends and other interested parties. Over the years, the Society has helped clients and their families, by providing information and support. As our organization continues to grow, we are able to offer a more client-service based program which helps those living with ALS/MND maintain independence and make informed decisions about their care. Our mandate is to make a difference in the lives of those living with ALS/MND every day.

VISION Improved Quality of Life for all people affected by ALS/MND.

MISSION Helping Our People Everyway we can by:
Investing in Research
Providing Client Services

CORE VALUES **Respectful** ---- We respect the rights of people impacted by ALS to live with dignity and make their own decisions;
Responsible & Ethical ---- We commit to continuous improvement, accountability, and sharing of knowledge.

THREE YEAR PRIORITIES AND GOALS (2015-2018)

1. **Ensure long-term financial stability of the Society**
Annually balance the Society's consolidated budget.
Secure consistent and reliable funding.
Increase our fundraising capacity.
2. **Maintain leadership in provision of client services**
Ensure programs are relevant to client's needs.
Maintain a sustainable quality of care.
Improve access to the Society's services throughout Manitoba.
3. **Strive for Organizational Efficiency and Excellence**
Have a diverse, skilled, knowledgeable, and engaged Board of Directors.
Have the correct complement of staff.
Continuously improve the Society's physical work environment.
Attract, recruit and retain volunteers.
Develop a plan to codify and transfer staff knowledge.
Develop a plan to codify and transfer volunteer knowledge regarding events.
4. **Increase awareness and profile of ALS & the ALS Society throughout Manitoba**
Increase profile with the general public to increase our volunteer and donor base.
Increase profile with clients & caregivers to increase awareness of services.
Increase profile with health care professionals to enhance recognition of ALS and provide the best possible care.
Increase profile within Government to ensure long term support and funding.
Increase profile with funding agencies, service organizations and the business community to secure sustainable funding.

REPORT FROM BOARD PRESIDENT

2016-2017 was another great year of ALS/MND awareness. We are always very appreciative of the generosity of Manitobans when it comes to assisting us in helping people live with ALS in raising funds to find a cure. We thank you for your continued support.

Our board and the staff at the ALS Society of Manitoba are committed to working hard to help our clients, families, and the entire ALS/MND community; In order to achieve our vision of improved quality of life.

Some local highlights of the past year include:

- This past year has been full of activity, from fundraising and new events to working with many new clients and families in both Winnipeg and rural areas. Creating awareness has been a major theme.
- The Walks for ALS/MND were a great success. Our walks are an integral part of our fundraising efforts to provide funds to ALS/MND Canada to invest in research through the Scientific Medical Advisory Council, and provide Client services to those affected with ALS/MND and those caring for someone with ALS/MND, their families and friends. We are very grateful for all our volunteers, sponsors, and walkers who help make this and all our events successful.
- The Evening with the Goldeyes continues to be beneficial for raising awareness of ALS/MND within our communities; helping us further our abilities to secure support for addressing the challenges and hopefully making ALS/MND a treatable disease, not terminal.

In my first year as President I've come to realize even more how much the services of the ALS Society of Manitoba are being utilized. The number of clients that have come through our doors and sought our assistance through this difficult time in their lives; from equipment, counselling, programs for younger children, companionship to volunteering and much more. I am grateful to our staff at the ALS Society of Manitoba and the Brummitt-Feasby ALS House for their dedication to ensuring our clients and families are supported through their difficult journey. Thank you for continuing to be there for our clients and families when they need you most.

Jessica LoRusso
President

REPORT FROM EXECUTIVE DIRECTOR

2016 – 2017 Report from the Executive Director

A year that came and went with so much activity. We are so fortunate in Manitoba to have so many people that are committed to the programs and services that the ALS Society of Manitoba offers. A huge thank you to everyone who has helped us help Manitobans living with ALS as well as those families who have lost a loved one.

Our Mission is one of HOPE – Helping Our People Every way We Can!!!!!!

Every person diagnosed with ALS/MND is one too many.

How families handle a diagnosis of ALS/MND and the challenges it can bring differs from one to another. What we do know is that it is important to have good communication about the quality of life issues and the needs and wants of the client. The impact of the diagnosis and how information is relayed to clients and families is critical. Some people will want to know more than others, some need time to digest and explore options, and some don't want to know anything -- for now!!!!!!

Bottom line - it all comes down to good communication!

The ALS Society of Manitoba is here throughout the whole journey, when people need our services we are there; and as our Mission says Help Every Way We Can!!! Whether this is through our Equipment Loan Program, Transportation, Support, Counselling, Accommodation at the Brummitt Feasby ALS House for medical appointments, long term or respite stay, we hope to make a difference.

Education for professionals, non-professionals, clients, families and friends, as well as visiting clients in all parts of this great province through our Client Services Program is essential. We need to see how people living with ALS/MND manage day to day and help trouble shoot any issues of daily living --- that is part of what the ALS Society of Manitoba does. We are here and knowing there is someone to call 24 hours a day, and that you are not alone when an issue arises – that is important!

Research is ongoing and this past year we have seen new strides. A new medication was approved in the United States, though not yet approved in Canada it is on the horizon; project MinE involving a more global perspective in looking at why people get ALS and others don't. Positive things are happening!

Fundraising is a must, as a small not for profit we have to raise the dollars to offer the programs and supports required. Remember the Ice Bucket Challenge a couple of years ago? This was a gift of HOPE and we thank each and everyone who participated. Whether it be a lemonade stand or Golf Tournament, the Walks for ALS/MND, the Gala, the lighting ceremony at the ALS House, a raffle or dance and many other events, you are the people that make a difference.

Volunteers - we can't do it without you, you make a huge difference – thank you so much! We must keep the momentum going! You are all part of the future and we hope you will continue on this journey with us.

Diana Rasmussen
Executive Director

BRUMMITT-FEASBY ALS HOUSE

A home for persons living with ALS/MND, this house is the first and only one of its kind in North America.

The Brummitt Feasby ALS house is a home where persons living with ALS/MND realize their full potential in an environment that respects their rights and dignity. There is twenty-four hour care, specialized treatment, administration of medications, meal preparation, housekeeping and laundry, recreation activities, arrangements for appointments and specialist services, ongoing assessment and intervention and a Care plan designed to meet each individual.

Services Provided

All services are provided in a caring, compassionate manner. Such services include but are not restricted to the following:

- Twenty-four hour care
- Specialized treatments and administration of Medications
- Specialized meal preparation
- Housekeeping and laundry
- Recreation Activities
- Arrangements for appointments and specialist services
- Ongoing assessment and intervention
- Care plans designed to meet all individuals

Criteria for Residency

- Applicants must have a confirmed or probable/possible diagnosis of ALS/MND
- Applicants must be diagnosed by a Neurologist
- It is recommended that applicants be assessed by the Motor Neuron Disease clinic. This is dependent on situation.

Clinic at Deer Lodge Centre

- The applicant must meet eligibility criteria for the Manitoba Home Care Program
- Must be a permanent resident of Manitoba and eligible for registration with Manitoba Health

Criteria for Respite

- The applicant must have a confirmed or probable/possible diagnosis of a Motor Neuron Disease (ALS, MS, Parkinson's etc.)
- Must meet above conditions for acceptance

What is the Cost?

A daily per diem rate will apply to all residents permanently living in the ALS House and is subject to change. The rate is determined following acceptance of application. The daily rate for clients staying at the ALS House on a respite stay is currently \$45 a day, this is subject to change.

CLIENT SERVICES

Children, Youth and Young Adult's Program

Part of the ALS Society of Manitoba's mission is to support the whole family, including children and youth. It is important that supports are given to all age groups of families and therefore this Program is an integral part of our services.

The ALS Society of Manitoba works with ALS Saskatchewan for the ALS Youth Retreat at beautiful Dallas Valley Ranch Camp in Regina, Saskatchewan.

Client Services Coordinators

The Client Services Coordinators provides information, education about the nature and management of ALS/MND, as well as information regarding local and provincial health care services and social and community resources. The Client Services Coordinators provide an assessment of a client's ongoing needs and advocate with appropriate services as required such as home care, physicians, the ALS/MND Clinic Team and other services.

Emergency Response Information Kit (ERIK)

ALS Society of Manitoba has emergency response information kits available for all persons living with ALS/MND. The kit includes a health information form, and a health care directive form.

Equipment Lending Program

Our Equipment Lending Program is designed to help people cope with the daily challenges of decreased mobility and independence, by providing basic and essential assistive equipment, which includes mobility equipment, lift equipment, bathroom aids, etc. All equipment loaned is available at no charge to the families. Currently, the ALS Society of Manitoba has over 3000 pieces of equipment.

LVR (Breathing Bag) Program

The LVR Bags are provided by the ALS Society of Manitoba at no cost to clients and will be given out by the Respiratory Therapist at the ALS/MND Clinic.

Research

The ALS Society of Manitoba supports the ALS Canada National Research Program through programs like the WALK for ALS.

Resource Library

The Society's library consists of books, videos and brochures about ALS/MND, individual experiences with the disease, coping with disabilities and grief. There are also a number of booklets on strategies for breathing, eating, drinking and swallowing as well as information on communication and mobility.

Support Groups

Support groups provide an open, friendly environment for clients, families and friends to learn more about living with ALS/MND. The group meets once a month throughout the year (except December). Meetings may include a guest speaker or focus on specific topics, as well as informal discussion and refreshments.

Tube Feeding Bag Program

The ALS Society of Manitoba provides tube feeding bags, different size syringes and any connectors if needed, plus other supplies at no charge to clients.

Volunteer Family Advocate Friend (VFAF) Program

The VFAF program is a program designed to match trained caregiver support volunteers to a person living with ALS/MND and their family members. These volunteers would provide practical assistance and advocate for the care giving family, saving them time, energy and allowing them to focus on their relationships and major issues of care.

ALS RESEARCH - Do you Remember

During the 2014 ALS Ice Bucket Challenge, a total of \$16.2 million dollars was raised in Canada. Following the challenge the ALS Societies across Canada partnered with Brain Canada, and earmarked \$10 million to research, which was matched by Brian Canada bring the total to \$20 million to ALS Research in Canada.

On May 3, 2014 at the ALS Canada Research Forum the Arthur J. Hudson Translational Team Grant was announced. This new grant program is designed to fund teams of Canadian researchers to accelerate the movement of ideas out of the laboratory and into the clinic with the hope of assisting development of new therapeutics for ALS. It is the cornerstone of our ALS Canada Research Program designed to emphasize bench-to-bedside translation.

Dr. Jiming Kong, University of Manitoba received \$1.6 million to continue to research the removal of a toxic protein through a simple injection into the bloodstream rather than an injection

into spinal fluid. Dr. Kong, professor of human anatomy & cell science, College of Medicine, Faculty of Health Sciences is conducting the research with Dr. Mike Namaka, associate professor, College of Pharmacy and Dr. Hassan Marzban, assistant professor, human anatomy & cell science from the University of Manitoba, Dr. Yu Tian Wang of UBC and Dr. Xin-min Li of University of Alberta.

The ALS Society of Manitoba had the opportunity to meet the research team and looks forward to seeing how their research develops. Dr. Kong is also part of the ALS Society of Manitoba's Board of Directors.

New Medication for ALS -- RADICAVA --Approved in the United States by the FDA but NOT approved in Canada yet.

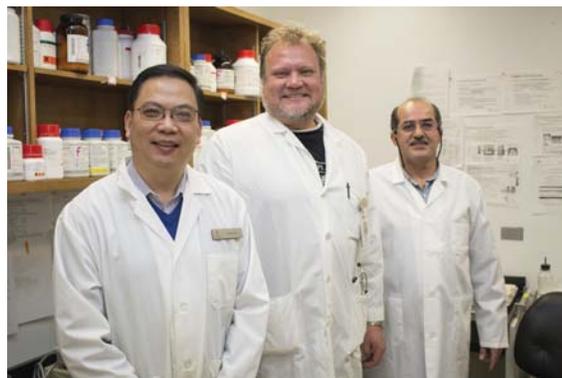

NATIONAL RESEARCH INVESTMENT

Project MinE -- involving a more global perspective in looking at why people get ALS and others don't.

ALS Canada Research Program Webinar Series

In 2017, ALS Canada launched another webinar series to help keep everyone informed on the field of ALS research. This series is hosted by Dr. David Taylor, Director of Research at ALS Canada, and provides information about the latest advancements in research, how donation dollars are funding one of the best research programs in the world and how to get involved in clinical trials to help make ALS a treatable, not terminal disease.

ALS ICE BUCKET CHALLENGE

EVERY AUGUST UNTIL A CURE

*Dr. Jiming Kong (Principal Investigator);
Dr. Mike Namaka; and Dr. Hassan Marzban.
The University of Manitoba team was awarded
\$1.6 million to pursue ALS research.*

EVENTS

Cornflower Gala Dinner Saturday, April 23, 2016 Victoria Inn and Convention Centre

The ALS Society of Manitoba is pleased to announce that this year's Annual Cornflower Gala Dinner raised over \$55,000 to support Manitobans living with ALS/MND. Emceed by Greg Mackling from CJOB, the event was filled with a Live Auction, Art Auction and our Auction of Hope, live music by the Two Man Band, fine dining and great company.

An Evening with the Goldeye's ALS/Lou Gehrig Night Friday, June 3, 2016

Local actor, Drew Jensen re-enacted the famous farewell speech of the "Iron Horse", followed by the ALS Society of Manitoba's volunteers passing the helmet to raise funds for support services offered here in Manitoba to those living with ALS/MND. This year's event raised over \$5000 and even with the rain many showed their ongoing support to this life changing disease.

Walk for ALS - Belmont Saturday, June 4, 2016 Strathcona Drop In Centre

This year's annual WALK for ALS in Belmont raised over \$5,500 to support the ALS Society of Manitoba. The community of Belmont has been touched by ALS deeply and the ongoing commitment of the local Walk Coordinator, Bertha Buote shows in the way the event is planned and the success that it has year after year.

Flag Raising Ceremony June 7, 2016 Winnipeg City Hall

In honour of June being ALS Awareness Month

Walk for ALS - Winnipeg Saturday, June 18, 2016 Assiniboine Park

The 2016 Walk for ALS' numbers were staggering and show that Manitobans are up for the challenge no matter what it is!! With more than 2000 people!! We raised over \$210,000! The event was a huge success!!

**AGM/Volunteer Appreciation Evening
Wednesday, June 22, 2016
Victoria Inn Hotel & Convention Centre**

We would like to take this opportunity to thank all our volunteers, those on our board of directors, those that volunteer on committees and those that dedicate countless hours to making sure all our events are successful. The Volunteer Appreciation Evening included tasty fruit and cheese platters, hot and cold beverages and wine which were enjoyed by staff, board and volunteers alike. Attendees were also treated to a show of some talented young dancers. It was a wonderful evening with the chance to see old friends and meet new ones.

**13th Annual Drive for Life Golf Classic
In memory of Marcel Bertrand
Thursday, September 8, 2016
Bel Acres Golf and Country Club**

We are pleased to announce this year's tournament raised over \$60,000.00 for people living with ALS in Manitoba. The tournament included a great sampling of food, drinks to spice up the day and many a contest to challenge everyone's skills and luck. Greg Mackling, host of the Health Report and long time friend of the ALS Society of Manitoba was on hand to emcee the event and auction.

**Bud, Spud & Steak
October 14, 2016
Cowboys Night Club**

Thank you so much to all those that came out and joined us at our Bud, Spud and Steak Fundraiser. The event raised over \$5,000.00 for the ALS Society of Manitoba. All proceeds from this event went to the ALS Society of Manitoba's Equipment Program – providing medical equipment to those living with ALS.

**Lite Up A Life Campaign
Lighting Ceremony - Wednesday, December 12, 2016
Brummitt Feasby ALS House**

Each year this campaign provides families with the opportunity to make a donation in memory of those that have passed, those living with, and those who are being diagnosed with ALS. A special thank you to Lacoste Garden Centre, who again this year donated the 12 beautiful holiday trees for us to use and to the students at Vincent Massey Collegiate who set up the trees.

COMMUNITY HEALTH FAIRS

The ALS Society of Manitoba attends numerous community health fairs throughout the year to help promote the Society and raise awareness of ALS/MND in communities around Manitoba.

- Health Partners Health Fair
- Healthopoly at Walmart, Ellice Avenue
- Inner City Health Fair
- Long Term Continuing Care
- Manitoba Stampede
- Palliative Care Conference
- Red River Co-op Speedway ALS night
- Self Care for the Caregiver Conference
- Senior Health Fair at the Victoria Heritage Community Center
- Stonewall Quarry Days
- Swan Lake First Nation: Education Session

THIRD PARTY EVENTS

A unique and wonderful way to give to the ALS Society of Manitoba is through holding a Third Party Event. These fundraising events are planned from outside parties who give the proceeds to The ALS Society of Manitoba.

There are so many creative ideas like Catfish Buy the Pound (New), bowling parties, garage sales, bake sales, fashion shows, concerts, comedy nights, car washes, BBQ, “wear jeans to work day”, or a “dress up day at work” or simply hosting a dinner where instead of gifts, guests make a donation to the ALS Society of Manitoba.

Catfish Buy the Pound
 Birthday and Anniversaries
 Bison Transport's ALS Fundraiser
 Brian Chornoboy BBQ Fundraiser
 Crown Utility Golf Tournament
 Henry Derksen Memorial Golf Tournament
 IFMA Golf Tournament
 Murry Wooldridge Poker Tournament
 Robert and Doreen Dick Memorial Ski-a-thon
 Saracens RFC “Tackle ALS”
 Terry Kumka Fundraising Social
 Vipond Golf Tournament

GRANTS

The ALS Society of Manitoba received funding to support equipment and medical supplies purchased to support those living with ALS from a variety of sources including Foundations and Grants.

Including but not limited to:

- Investors Group
- Jewish Foundation of Manitoba
- Joyce Sinclair Foundation
- Manitoba Liquor & Lotteries
- Winnipeg Foundation

VOLUNTEER SPONSORED GRANTS

These funds are received based on the number of hours volunteers give to the ALS Society of Manitoba through their employer.

CN Corporate Services	The ALS Society of Manitoba was awarded funds to support general costs for Client Services.
RBC Royal Bank	The ALS Society of Manitoba was awarded funds to support general costs for Client Services.

FRANK EDMONDS VOLUNTEER AWARD

The Frank Edmonds Volunteer Award is given annually to a volunteer with the ALS Society of Manitoba whose commitment and dedication to the cause of ALS has been noted by their peers. The award is in remembrance of Frank Edmonds who died of ALS in 2001 and was given in his name by his daughter Tracy Edmonds-Leckie.

This year's presentation of the Frank Edmonds Volunteer Award was received by two volunteers:

The Winnipeg Award went to:

Lorna McLeod
 (pictured left center)

Cheryl Samson-Siemens
 (pictured right)

MARCEL BERTRAND MEMORIAL BUSINESS AWARD

After being diagnosed with ALS in February of 2000, Marcel Bertrand worked tirelessly on behalf of the ALS Society of Manitoba, taking on such roles as board member, educator, advocate and major fundraiser. Marcel served two terms as president of the ALS Society of Manitoba and was instrumental in the planning and reconstruction of Brummitt-Feasby ALS House. Marcel received numerous local and national commendations for his work with the Society before his death in July 2007.

In recognition of Marcel's exceptional ability to garner support from the business community for his work, this award is presented annually to honour a business which has made a significant contribution both in volunteerism and financial support to the ALS Society of Manitoba and people living with ALS.

The 2016 recipient was:

GoGetter Moving and Odd Jobs

*Diana Rasmussen, Roger Rempel,
 Lenny Jessup and Jessica LoRusso (L-R)*

REPORT FROM TREASURER

Financial Summary

In F2017 the ALS Society of Manitoba (the “Society”) recorded revenues of \$1.250 million. Growth in our fundraising events continued.

Expenses were \$1.155 million, which was relatively consistent with the prior year.

Overall this resulted in net income of approximately \$95,000.

Fundraising Events

The Society had a strong year with respect to the performance of its fundraising events. Of the three major fundraising events of the year (i.e. the Golf Tournament, the Cornflower Gala, and the Walk) the Society experienced an overall growth to net income. We are extremely grateful for all the support from volunteers and staff that help make the fundraising events such a success year after year.

Client Services and Research

With our commitment to funding research from a portion of the Walk net income, the Society was able to direct approximately \$67,000 towards ALS research in F2017.

Additionally, the demands for equipment and support continue to increase as the number of people living with ALS in Manitoba increases. In F2017 we were able to continue to fund purchases of new equipment, in addition to expenditures on other various client services.

Designated Revenues

Designated revenue was recorded on the income statement in F2017. This was mostly due to recognizing designated revenue for client services to the maximum extent possible, being the amount of client service expenses in the year. The remainder was due to timing of certain fundraising events. Further details can be found in the Audited Financial Statements.

* * *

I would like to thank our staff as well as the numerous volunteers that made our year such a success. I would especially like to thank our donors for their contributions and continued support of the Society, as without them we would not be able to provide the valued programs and services to our clients.
